 - Labor Day fly in & swap meet: Mon Sept 7th
- Concrete pad – probably about \$250 for materials
- Jeff mentioned a drone club would like to hold some events at our field. They can set up at the end of the field and not get in the way of the main line.
- Jeff asked if we could get a second toilet for MonsterFest.
- It was discussed to add irrigation in front of the pilot stations down to the geotex.
 - Rod is looking at the costs and design.
- October meeting at the field – Saturday October 25th.
 - This is a week later than normal due to the Soaring By The Sea Foundation event.
