- As of November 8th, we still have a total membership of 66 members.
  - The majority of members have their membership expiring on 12/31/2025.
  - 3 members have renewed already.
  - Please make sure your AMA membership gets renewed also. 4 members (3 youth, 1 adult) currently have expired AMA memberships...

### Old Business:

- Field lease for 2026 has been paid to Mike.
- The cost of keeping Above All Sanitation for the winter was compared to having our unit serviced for the winter and pausing the Above All Sanitation service for the winter months. It will cost us about \$85 more to keep the service and as that is not a significant cost, the club officers have decided to keep the Above All Sanitation service going.
- Swap meet – Sat Feb 28<sup>th</sup>, 10am - 1pm.
  - Ken shared that 6 people have signed up for tables.
  - Table reservations are only open to club members currently.
  - Ken will open it up to other clubs, non-members, etc. from the end of November.
- Club officer elections.
  - Members voted Dave to be the new club president starting January 1<sup>st</sup>, 2026.

### New Business:

- Hunting season starts this weekend, so we will be moving to Winter Flying Rules. Do not arrive at the airfield before noon on Wednesdays, Saturdays, or Sundays.
- Brad from Dronage (based at Lebanon Area RC) gave a show & tell of their drone racing.
  - They are looking to hold some drone races at our field, maybe twice during 2026.
  - They race on Saturdays, from dawn to dusk.
  - The southwest corner of the field would be ideal for them to use and would not require us to close the main runway.

- No December meeting. We'll meet again in January at Abby's. Dates for 2026 meetings will be confirmed in the December newsletter.
