- 39 renewed members plus 4 club officers.
- PO Box rental fee paid.
- Oregon State business registration filing completed.
- Oregon Charitable Activities Fee paid.
- IRS e-postcard filed.
- FIRA application and FAA Letter of Authorization – no update as yet

Old Business:

- Jim said the field has been mowed twice so far this year.
- Roger has dug holes to secure the bench. We will pour concrete and get the bench installed this week (weather permitting). Please do not sit on the bench until it is confirmed that the concrete is set.

New Business:

- Roger shared that Shaun Clark and his son gave a donation to the club for Roger's help putting their plane together. We will give them a year's club membership in return.
- Roger suggested some sand to smooth the runway bumps out later in the spring. Jim said the clumps of grass don't help and over-seeding/fertilizer may help.
- Roger asked if Ken would be interested in becoming an instructor. Ken agreed and will look into what the process is with the AMA.
- There is a dog training event at field April 15th. A NOTAM will be issued for this.

- The next meeting will be moved to Saturday April 22nd at 1pm (BBQ at 12 noon) at the field.
