- As of March 10th, 53 members plus 4 club officers
 - 6 members from 2023 have not responded to my emails about renewing
 - 3 new members: Jesse Carmichael, Anthony Dalebout, and Ben Ostlind.

Old Business:

- Emergency call list – Roger will address sometime in the spring.
- Dave Thomas and Martin picked up a new grill at Home Depot. We got a floor model which as a couple of dings in the lid, so we got 10% off the grill. A new cover was also purchased. The grill is currently in the storage end of the club house. Test run has been done
- Ken was going to talk to the model railroad club and dig into the fair details. No update yet but will drop by their next meeting.
- Martin now has access to post on the Facebook page and will look to do it more frequently.
- Jim asked for volunteers for the watering crew.

New Business:

- The club received a very generous donation from AJ Thompson, along with his membership renewal. Thank you for supporting our club AJ!
- The club house key went missing, so was replaced with one of the spare keys. A new spare key was acquired by Martin.
- Martin will restart the Above All Sanitation services in a couple of weeks.

- Roger suggested we get a 30' storage container for storing donations and other things. It could be placed at the east end of the field, beyond the mower shed.
- Roger shared that Jeff has broken his wrist. We wish him a speedy recovery.
- We received our 2024 Club Charter certificate and insurance certification from the AMA. Martin has put them up on the club house noticeboard.
- Creswell is hosting a swap meet on May 4th. Roger will be manning a table for the club.
- Field closed for Dog Training on Sunday April 7th.
- Next meeting will be at the field on Saturday April 20th.
