- As of July 15th, 58 members plus 4 club officers.

Old Business:

- Lane County Fair - We chose to opt out of participating in the Lane County Fair due to a lack of volunteers to staff the display area.
- MonsterFest:
 - No food truck – you'll have to bring your own food.
 - Roger asked about whether we can feed the pilots only.
 - Ken suggested Subway/DoorDash/UberEats to cater for pilots.
 - After some discussion it was agreed that just notifying people ahead of time, should be suitable.
 - Roger is going to stop by the food truck pod in Junction City to gather menus that we can share as recommendations to attendees.
 - Raffle prizes – membership approved \$1,400 for Extreme Flight prizes.
 - Volunteers are required to act as flight line boss, to ensure we have a safe and enjoyable time for all. I have a sign-up sheet for people to volunteer for 1-hour slots.
- Roger placed a cone by the nest a bird has built in the parking lot – this has now gone.
- Jim proposed plowing the swamp area, after MonsterFest, when they till the fields.

New Business:

- Labor Day fun fly – Monday Sept 2nd – details on the website

- Hood River Air Museum was recommended as a very worthwhile place to visit.
- Chuck mentioned that there is a free flight event the same weekend as MonsterFest, and worth attending if you want to escape MonsterFest.
- Next meeting will be at the field on Saturday August 24th.
