And suddenly, summer arrived!

Hey All,

It's that time of year! Time to get out and look up into a blue sky!

Please plan on coming out to our club meeting this Saturday, to eat some health dogs, and discuss things that fly!

We had a good month of May, with two different flying events, and are looking forward to more good times this year! I want to especially say Thank You to Jeff Lutz for his organizing those two events! Jeff even ate the smoke from the BBQ! Thanks Jeff!

Our flying field is in great shape thanks to our green thumb recipient, Jim Corbett! Be sure to take the time to say thanks, and offer any help that you can, as there seems to be always something we can help out with.

Hope to see a record turnout this weekend!

This month we had the maiden flights of 6 planes that were built by club members for the Mickey Cohen Memorial build challenge. It was a fantastic day with the winds being calm all day. We also honored Mickey Cohen by releasing 83 red and purple helium balloons. Thank you, Mary Cohen, for supplying the balloons and for joining us in a very special day at the field. The BBQ donations for the day were donated to the Leukemia and Lymphoma Society. We raised \$130.00. Thanks to all that donated. Also, thanks go out to the pilots that participated in the build challenge Pat Willis, Oliver Willis, Darren Faiman, Frank Blain, Chick Foster, Dwayne Graville, Warren Edwards and yours truly. It was a great deal of fun and I look forward to doing it again next year. I have a feeling we will have a few more planes in next year's maiden party. Don't forget the meeting is at the field this coming Saturday. I will have beans, burgers and hotdogs for lunch at noon. Meeting at 1:00.

See you at the field Sincerely,

Jeff Lutz

P.S. Please bring a side dish for the BBQ on Saturday ie...cookies, cake, potato chips, beverages
