And suddenly, summer arrived!

Hey All,

It's that time of year! Time to get out and look up into a blue sky!

Please plan on coming out to our club meeting this Saturday, to eat some health dogs, and discuss things that fly!

We had a good month of May, with two different flying events, and are looking forward to more good times this year! I want to especially say Thank You to Jeff Lutz for his organizing those two events! Jeff even ate the smoke from the BBQ! Thanks Jeff!

Our flying field is in great shape thanks to our green thumb recipient, Jim Corbett! Be sure to take the time to say thanks, and offer any help that you can, as there seems to be always something we can help out with.

Hope to see a record turnout this weekend!
