April 2019

Deadline for next edition: May 16, 2019

Next Club Meeting – Tuesday April 16th at 7 PM
At River Road Abby's Pizza (No Host)

From Our President

Hey All,

So, it looks like we have many "Float Fly" locations suddenly popping up all around the valley, as rough fields are transformed into smooth, shallow "lakes"!

We should have known that snow in March would be followed up with flooding in April!

Any guesses on what comes next?

Working on my airplane for the Mickey Cohen Memorial Winter Build has been high on my "to do" list, as we are quickly running out of "Winter"!

I hope those who are going to participate are beginning to wrap things up for the May 18 big day! Nothing motivates like a deadline!

Our club meeting will be on Tuesday, April 16 this month, at Abby's Pizza on River Road! I hope to see all of you there!

Meeting Minutes March 2019

- *Meeting called to order at 7:08 P.M.*
 - *Treasurers report read and approved*
- Old Business: None*

New Business:

- *Jim installed new batteries in the mowers.*
- *Jim mentioned new elk tracks at west end of runway. He was going to try and drag some loam around and fill in the holes.*
- *Control line was in need of a little geotex so the club members present decided to donate what we had left over from our runway.*

See you at the next meeting Tuesday April 16

That's all folks, Yours truly Jeff Lutz

Old R/C Videos - Jim Hansen

Over 200 episodes of the old Scale Aircraft Show produced by Portland Skyknight Dick Hansen for community access tv are being uploaded to YouTube by me his son Jim. Volume (episode) 48 was uploaded today; I have over 150 left to upload. I'm averaging 3 volumes per week. Each volume or episode was split into five 11 to 12 minute parts.

There are no ads. The oldest episodes start about 1987/88 and are a bit blurry but subsequent episodes get better. I think his videography/show ended around 2010. My dad is like a walking encyclopedia of full-size aircraft and r/c model aircraft. To view the episodes go to [YouTube.com](https://www.youtube.com) and do a search for Hansen Scale Aviation Videos (the name of the channel), and please click like if you like them, and make comments, and even subscribe (no cost).

Enjoy! Cheers from across the pond (I live in England).
