

# RC AEROGRAM

*The Monthly Newsletter of the Eugene RC Aeronauts Flying Club*

*Editor – AL Barrington*

*Volume 15 Issue 6*

*June 2019*

Deadline for next edition: July 18, 2019

**Next Club Meeting – Saturday, June 29<sup>th</sup> at the Flying Field**  
**Date changed to not conflict with the Creswell Fly-In and Swap meet**

## From Our President

Hi All,

We recently had our first fly in of the season. It was on Memorial Day! Thank You to all the Vets who have served in a branch of the Military!

With the 75<sup>th</sup> anniversary of D-Day coming just a week and a half later, it has been a wonderful time to remember those who served this country, and especially those who gave all in doing so. Let us never take lightly the price that has been paid for the freedoms we enjoy in this country, and remember what a special place on this planet, The United States of America is.

This year, we combined our Memorial Day Fly in with our Mickey Cohen Memorial Winter Build Challenge, due to some liquid sunshine

earlier in the month. It was great to see kit built planes escaping the “surely bonds of Earth,” for the first time.

Frank Blain set the bar Way High with his lovely Cessna 310, built from a Bud Nosen Kit. It was piloted by Pat Willis, and although experiencing some engine trouble, it remained in one very large Piece!

Jeff Lutz was able to maiden his beautiful Balsa USA Citabria Aerobatic Pro! Martin Booth brought his Stick 40 plus, and he flew it, and Sam Hyatt flew his Decathlon.

I was able to maiden my WACO UPF-7, and it rewarded me with a greased landing!

A big Thank You to Jeff Lutz for feeding us all, and thanks to you all, for your donations to help cover the cost!

Last night, I finished a Goldberg Extra 300 kit, that I bought in 1995, and have “taken my time” putting together! 24 years? That’s got to be some kind of record!

It will be “going out for a spin” soon!

Those who do not suffer from Hay fever are enjoying the warm, sunny days of June, and the flying field is in great shape, so come out and enjoy it!

NOTAM: Meeting Date Change

We will be having our club meeting on the 29th, at the field, and I have recently realized that on that day, the Creswell RC club will be having a fly in/swap meet, so I would like to move our meeting back one week.

Thanks,  
Roger
