Next Club Meeting – At the airfield on Saturday, October 24th,

From Our President

*Hey All,
I hope you all are enjoying the beautiful weather and are taking advantage of it to fly!*

We will be having our monthly club meeting at the field on Saturday, October 24th, at 1:00. Come early to fly. As this is our 3rd weekend, and I feel our chances of a dry day are better. We can plan on it being our last meeting of the year.

See you at the flying field!

Rog

Total income for September 2020: \$919.00

Balance as of September 17, 2020: \$7,461.62

MonsterFest was a success again this year even though it was a downscaled event. The club profited \$370.90. A pretty decent profit considering the Corona virus has really affected events this summer.

The last meeting at the field is coming up on the 26th. This could be one of the last meetings of the year considering we won't have a safe indoor place to meet. So, let's have a good turn out and do some flying together.

I'll set a date for the winter build maidens for 2021 soon so look for that in the newsletter. I'm building a 1/4 scale Rearwin Speedster this year.

See you at the Meeting, Jeff

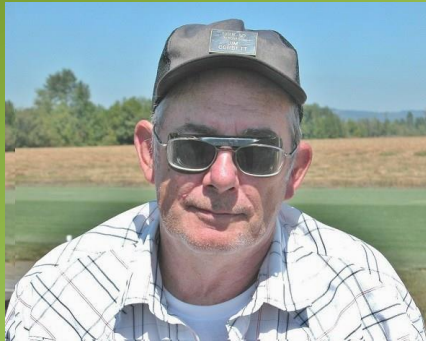

Editor's Note:

We recognize the current Coronavirus precaution guidelines. We are currently maintaining an open field to fly at your own risk. Virus carriers put others at risk.

The health and safety of our members and anyone who visits our field is a top priority. We ask that everyone be respectful and considerate in controlling exposure to others by keeping our distance and using common sense sanitation methods for everyone's protection and to keep the field open to enjoy.

Although the China Virus and the winter weather will impact our ability to hold meetings at the field, we will continue to publish this newsletter in an attempt to keep our members informed of club business and coming events.

Thank you and happy landings, AL
