I hope everyone has an enjoyable Thanksgiving. I'll update the rules for the winter build challenge and set a maiden date in next month's newsletter. Stay healthy and see you at the field sooner or later.

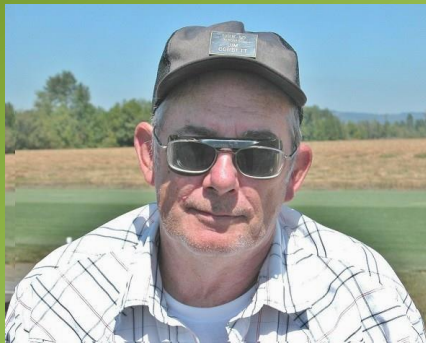

Editor's Note:

We recognize the current China Virus precaution guidelines. We are currently maintaining an open field to fly at your own risk. Virus carriers put others at risk.

The health and safety of our members and anyone who visits our field is a top priority. We ask that everyone be respectful and considerate in controlling exposure to others by keeping our distance and using common sense sanitation methods for everyone's protection and to keep the field open to enjoy.

Although the China Virus and the winter weather will impact our ability to hold meetings at the field, we will continue to publish this newsletter in an attempt to keep our members informed of club business and coming events.

Thank you and happy landings, AL
