Editor's Note:

Welcome back from the Winter grounding.

As before, we recognize the current China Virus precaution guidelines. We are currently maintaining an open field to fly at your own risk. Virus carriers put others at risk.

The health and safety of our members and anyone who visits our field is a top priority. We ask that everyone be respectful and considerate in controlling exposure to others by keeping our distance and using common sense sanitation methods for everyone's protection and to keep the field open to enjoy.

Thank you and happy landings, AL
