

RC AEROGRAM

Eugene RC Aeronauts Flying Club

Editor – AL Barrington Volume 17 Issue 6 September 12, 2021

Deadline for next edition: October 8, 2021.

Next Club Meeting – Saturday, September 18, 2021
After Lunch about Noon

From Our President

Hi All,

We have had a nice summer to fly our planes, but I have noticed the leaves are changing color, so I know the weather may soon be following.

I would like to thank all of you for being involved in helping to make our club a nice outlet during the last couple years, as the world around us seems to be shaking, and coming apart.

To those who have taken leadership roles, I say “Thank You”, knowing if it wasn’t for your reliability, we would come apart as a club.

We should have a nice fall season, so let’s get out and enjoy it!

Editor's Note:

We recognize current Covid precaution guidelines. We are currently maintaining an open field to fly at your own risk. Virus carriers put others at risk.

The health and safety of our members and anyone who visits our field is a top priority. We ask that everyone be respectful and considerate in controlling exposure to others by keeping our distance and using common sense sanitation methods for everyone's protection and to keep the field open to enjoy.

Thank you and happy landings, AL
