

RC AEROGRAM

Eugene RC Aeronauts Flying Club

Editor – AL Barrington Volume 17 Issue 7 October, 2021

Deadline for next edition: November 8, 2021.

**Next Club Meeting – Tuesday, November 16, 2021, at 7pm
Eugene, River Road Abby's Pizza (Hosted by ERCA)**

From Our President

Hi All,

We had a lovely time at our last meeting, as the weather was perfect for flying, or just sitting around!

First, I would like to thank all who helped out all year long to make our club a fun place to belong. Those who are faithful in putting out and removing the sprinkler system all though the summer, and to those who mow the grass! It is a big deal that is often overlooked, but I want to say thanks!

Those who shop, cook, and clean up... Thank You! Thanks to those who put out the different messages, through the newsletter, and NOTAM's.

Thanks to all of you for being good club members!

We will NOT be having a Club meeting this month (October), as I felt we did not have too many things to discuss. I have thought about the coming year, and what changes are going to continue, and I hope that we can continue to meet on a normal basis.

If there are any among you who would like to take a place in the leadership of the club, please let it be known at the November meeting!

We have recently received some R/C "items" that we would like to sell. Some "new" engines, well, new in the box, but the box is faded... as well as some used stuff.

I am looking for a club member who might want to take up the responsibility of selling on the internet these items. If that person, is you, let me know.

Our November meeting plan is to meet at Abby's Pizza, on River Road on November 16th at 7 p.m. We will be having our club officer elections at that time! Also renew your AMA membership.

We will also take this opportunity to pay dues for next year and sign up new members! The Club will be buying Pizza and soft drinks, so we'd like to see as many as possible!

Until then, Keep your powder dry!

Roger Dahl
