From Our President

Hi All,

I'm beginning to notice a cool moisture in the air, in the mornings. Is this the feeling of Fall? And What's up with School buses driving around? This takes me by surprise every year!

Monsterfest, in August was a good event this year, and was well attended! We had people join us this year from as far away as Fairbanks, AK, and Cleveland, Ohio! A good time was had by all!

We had our last "Fun fly" event for the year on Labor Day,

and only the brave, and some foolish (pointing at myself) ventured out to fly into a brisk breeze from the North! The weather was nice and made for a relaxing time to visit!

We were blessed with a donation from the ERCA's first Club President, Henry Barkley, thanks to his brother, Perrie Barkley.

Henry was a long-time model builder, and like many of us, enjoyed having a few "extra kits", in case he had some extra building time!

Henry passed away earlier this summer and left a large number of kits for his brother to sell. Some of these kits went back to the early 1960's!

I want to thank Dave Lloyd for his help in storing r/c kits for us, which we were able to sell over the last two months, and after splitting the profits with Perrie, brought in a nice amount for the club! I am happy to report that we have sold all the kits!

About a week ago, we were able to spread sand on the runway, thanks to Carl, who brought his tractor, and others who helped! This will help to smooth out landings!

It is time for the club to introduce some "fresh meat" into the club leadership. This club is designed to have rotating leaders, and it is time for us to "rotate"!

Jeff Lutz has been carrying the bulk of the load for 10 years, and I would like somebody to step up and take his place as Sec/Treasurer.

Jeff has also taken on cooking duties, as well as shopping for club meeting lunches, as well as fun fly meals, and I would like somebody else to step up and take over this role. Please consider taking a spot in the club leadership and let me know.

Thank you, Jeff for making our club events seemingly go effortlessly smooth for all these years!

Roger
