

The Monthly Newsletter of the Eugene RC Aeronauts Flying Club

RC  AEROGRAM

Editor – AL Barrington    Volume 18 Issue 10    October 2022

Deadline for next edition: November 11, 2022, before November 19<sup>th</sup> 7pm Pizza meeting at Abby's

**Next Club Meeting** – Saturday, October 15, 2022, at 1pm, at the ERCA flying field - BBQ at Noon before the meeting

### From Our President

Hey All,

The autumn season hasn't quite arrived, and I'm trying to get out those planes that need dusting off, and put some air beneath their wings, before the skies turn gray!

I know that we are living in unprecedented times in this world, so we should take advantage of this hobby, and enjoy the freedom of flight.

Our next club meeting will be Saturday, the 15th at the field, at 1:00. We will be having burgers and hot dogs at noon.

I'll order up some warm weather, and hope it arrives! If somebody would like to take over as club president, please let me know, and we will be voting at our Nov. meeting. Also, I would like to hear the status of our safety officer, whether he will continue, or a replacement should be hooked, I mean sought. 😊

Roger, over and out!

**WINTER FLYING** - During November, December, January, and February  
On Wednesday, Saturday, and Sundays no flying is allowed prior to NOON.  
**DO NOT ARRIVE AT THE FIELD BEFORE NOON.**

## Graupner Taxi 2400

**FOR SALE:** Ready to Fly (RTF) RC  
Electric Powered High Wing Monoplane  
Tail Dragger

*This is an ARF that I bought from a friend who had assembled it. I have flown it only 9 times since I bought it 6 years ago. The wing span is eight feet (2400mm) and is symmetrical airfoil. The receiver is 2.4GHZ; Spektrum modulation Hobby King "Orange" receiver. Just bind with your transmitter and set the throws on the control surfaces. The servos are JR standard plugged. Included is the downloaded instructions from Graupner, two used 10 cell lipo 5400mah batteries, and a Hobby King wing bag.*

**Price: \$450.00**
