

The Monthly Newsletter of the Eugene RC Aeronauts Flying Club

RC  AEROGRAM

Editor – AL Barrington    Volume 18 Issue 11    November 2022

Deadline for next edition: December 13, 2022, No December meeting

**Next Club Meeting** – Tuesday, November 15th, 7pm,  
Pizza meeting at Abby's

## From Our President

Hey All,

Well, judging from the snow the other day, it looks like we might be having a real winter this year! This means it's time to knock the dust off a kit, because

it's time to super glue your fingers to some balsa!

We've had another good year, and I want to thank all of you for contributing to make our club a success, and a fun place to go enjoy the magic of flying a model!

We will be having our last club meeting for the year on Tuesday the 15th at Abby's Pizza, on River Rd. The club is buying the pizza and soft drinks, so bring your appetite! We will plan on having pizza at 6:30pm, and having our meeting at 7:00pm, so don't be late!

Rog

Paul Rawson	Wade Webster

## Treasurers Report November 2022

Beginning balance: \$11,367.82

### September expenses:

BBQ Supplies for October meeting: \$50.04  
 Above All Sanitation: \$96.00  
 LinkSky web hosting Club Web page: \$143.40  
 Memorial Bench for Henry Barkley: \$ 649.00

Total Expenses: \$938.44

### September Income:

BBQ donations for October meeting: \$66.00

Total Income: \$66.00

Balance as of 11/7/22: \$10,930.25

Some members may not have heard that Henry Barkley, the clubs first President passed away the latter part of summer. Roger Dahl, Dave Lloyd, and others helped Henry's brother sell a bunch of aircraft models Henry had collected over his lifetime. Club members benefited by being able to purchase some cool model kits that are otherwise hard to find these days. The club itself benefited from a portion of the sales of these models. We have ordered a memorial park style bench to place at the field for people to enjoy. It will be engraved in memory of Henry.

See you at the Meeting. Pizza is on the club this time. Come enjoy some pizza and visit with other club members.

## Field Maintenance Jim Corbett

**My thanks to our Watering Crew:**

**David Fenner, Jeff Lutz, Dave Carlstrom, Martin Booth, Dave Thomas, Brad Werneth, Sam Hiatt, Doug McWha, Wayne Hoard, Don Schiltz, Al Barrington.**

**WINTER FLYING** - During November, December, January, and February  
On Wednesday, Saturday, and Sundays no flying is allowed prior to NOON.  
**DO NOT ARRIVE AT THE FIELD BEFORE NOON.**

**Note:** Mike Burgess says that **we can continue to fly early until Nov 19th.**

**From a Fellow Flyer:** I'm a senior citizen and RC flyer with a new Radiomaster tx16s mark 2 running edgetx 2.7. I watched a lot of YouTube videos about setting up for first time but the video I watched was for a drone which I don't have, then I found a video for a plane which I do have, a super cub. Somehow, when I created a new model for my cub, my arm switch says armed, but it's armed in both positions, but shows it is switching.

I'd like to be connected to someone with actual use and knowledge of how to set up this radio, if they could spare a few minutes to get me straight.
