Next Club Meeting – Saturday, April 20, 2024,  
1pm, At the Flying Field

## ***From Our President***

Hi All,  
It looks like we all survived the eclipse without any of the surprises that many had expected and predicted in the Book of Face!

We are seeing the weather beginning to warm, and before long we will be sweating, and getting tans!

Our next Club meeting will be on Saturday, the 20th. I have ordered some nice weather for the weekend. With some luck, we can enjoy flying our planes. If warm and calm doesn't arrive, we still can meet under our covered area!

Dave Thomas will be cooking burgers on our new grille at noon, and we will have our meeting at 1:00 pm!

I hope to see a good turnout!

Roger

Hello fellow aviators,

Here are the notes from the finance and admin side of the club this month:

2 renewing members and 1 new member brings our club members ship up to 60 (4 officers and 56 members)

The new member is Samar Gutierrez. He's a helicopter mechanic by trade and flies RC helicopters. Say "hi" if you see him at the field!

Above All Sanitation has cleaned out our unit and it is now locked.

They have delivered their unit and will service it monthly moving forwards.

Note: their rates have gone up this year. Monthly servicing will now be \$110.21 per month (compared with \$98.88 last year).

Thanks, Martin

## Safety Sam says . . .

**Make sure we are driving the 10mph speed limit on the gravel to keep the dust down and slow the formation of potholes. Thank you.**
