Deadline for next edition: June 7, 2024 before the June 15th meeting

Next Club Meeting – Saturday, May 18th, 2024,
1pm, At the Flying Field

From Our President

Hey All,

I'm looking forward to some good weather
this weekend and beyond!

Last Saturday, I was able to sell some of
our club's "stuff" at the Creswell swap meet. It's always nice
to see fellow modelers from the area.

Our next club meeting is on Saturday, the 18th, with lunch
before.

I hope to see you all enjoying our nice flying field soon!

Rog

Hello friends,

Here are the notes from the finance and admin side of the club this month:

- Membership is steady at 4 club officers and 56 members.
- Martin, Ken, and Sam met to get some early plans in place for MonsterFest. We are hoping to be a little more organized in advance this year! There are a couple of things we will bring to club meetings in the coming months for discussion and some of you may get contacted to help with certain tasks.
- A few months ago, the club sold a plane and agreed to split the proceeds with the original owner of the plane. As the sale was for \$400, we have given the \$200 to the original owner of the plane.
- The Creswell Swap Meet was a success. We had so much to put out that we had to expand on to a second table, that we shared with Warren. Roger raised \$263 for the club. Thank you for man-handling all the "junk" and taking care of it, Rog!

Thanks,
Martin

Safety Sam says . . .

Make sure we are driving the 10mph speed limit on the gravel to keep the dust down and slow the formation of potholes. Thank you.
