Editor – AL Barrington Volume 20 Issue 7 July 2024
Deadline for next edition: August 16, 2024, before the August 24th meeting

Next Club Meeting – Saturday, July 27, 2024,
1pm, At the Flying Field

From Our President

Hey All,

We have seen some hot weather in the last weeks, but I have seen lots of good flying weather, especially in the mornings.

The last week has been filled with news that regardless of your politics, came very close to changing all our lives. My heart goes out to the families that were forever impacted by this tragedy, and I pray for Americans to choose peaceful resolutions to our differences.

Our next "event" will be Monsterfest, in the middle of August, and we need to be readying ourselves to make it a grand time!

Join us for our monthly club meeting on July 27th! The weather should be perfect, and the burgers delicious!

Fly Safe,
Rog

Hello friends,

Here are the notes from the finance and admin side of the club this month:

- Membership grew by one with 4 club officers and 58 members. Sam Monsen joined the club in June.
- We chose to opt out of participating in the Lane County Fair due to a lack of volunteers to staff the display area.
- A reminder that the August meeting date will be August 24th due to MonsterFest.
- We have not been able to secure a food truck for MonsterFest, so I am afraid people will have to bring their own lunch.
- Volunteers are required to act as flight line boss at MonsterFest, to ensure we have a safe and enjoyable time for all. I will have a sign-up sheet for people to volunteer for 1-hour slots at the July club meeting.

Thanks,
Martin

Safety Sam says . . .

Make sure we are driving the 10mph speed limit on the gravel to keep the dust down and slow the formation of potholes. Thank you. Sam Hiatt, Safety Officer
