Next Club Meeting – Saturday, June 21, 2025
1:00pm, after the Noon BBQ at the field

From Our President

Hey All,

And suddenly, summer is here! For those who are miserable due to hay fever, I'm sorry! To the rest of us, enjoy the weather! I realize that there are a lot of "activities" going on in our country, which can cause lots of stress and uncertainties in people, so let's pull together during this time.

Thank you to Dave Thomas, Martin Booth, and Ken Milbret for manning a booth last weekend, June 7th, at the Ryan Meadows community garage sales! The club received good community exposure with many people!

Fly safe,
Roger Dahl

Hello friends,

Here are the notes from the finance and admin side of the club this month:

- As of June 8th, we have a total membership of 59 members.
 - There were no changes in membership in the past month.
- One of our club members decided to give us a check at the May club meeting to cover their BBQ donations for the rest of the year, hence the large amount.

Thanks,
Martin

From our Safety Officer: Brian Ostlind, "Ask about the club trainer and buddy box for new pilots and/or veterans who need to dust off the cobwebs at the start of the season!"
