Next Club Meeting – Tuesday, January 20, 2026  
7pm at River Road Abby's Pizza

### ***From Our President***

Fellow Flyers,

Well, it is 2026 and I'm your new president. My name is Dave Thomas; I've been with the club for six years. Many of you will recognize me as "Burgerman" the club BBQ cook. 2026 should be an exciting year. We have the usual Fun Fly events, Monster Fest, and the Swap Meet

scheduled. This year we are looking to add a F3A Pattern Plane Event and Drone Racing. The club is buying Pizza at the January meeting, we have new members to introduce, lots to talk about, hope to see you there.

Mike Burgess has updated the winter flying hours that allows us to start at 10:00 AM Wednesday, Saturday and Sunday until January 31st. Considering the weather the last few days this is very good news.

Martin has posted this update on our Face Book Page <https://www.facebook.com/EugeneRcAeronauts>, I will asked Jim for a Website NOTAMS adjustment.

I will follow up with Mike January 31<sup>st</sup> for clarification on February 2026 hours.

As always, I'm glad to be here".

- We ended 2025 with slightly more money in the bank than we had at the start of the year.
- It is not our purpose to be a "for-profit" organization, but there are a number of capital projects that have been discussed that this money could potentially be put towards in 2026.
- These suggested projects include: improving the field irrigation system, laying a concrete pad for the portable toilets, repairing/improving the geotex runway, building some new benches and tables, etc.

**As of January 10th, we have a total membership of 67 members.**

- Two members let me know they are not renewing: Dave Fenner & Oliver Willis
- **24** club members have not renewed their membership yet.
  - For members whose membership expired at the end of December, you can find the renewal form on the club website, and you can send a check for your renewal to the PO Box.
  - Please remember that the By Laws state that renewals over two months late will be required to pay an additional \$10 late fee, and after three months the member will be dropped from the club membership and will not be permitted to use any designated club flying area. Dropped members that rejoin the club after being removed from club membership will be required pay the initiation fee again in addition to the annual dues.
- **4** club members that are yet to renew also have lapsed AMA membership. AMA membership is required to continue to be a member of the club.

Thanks, Martin

A former member, **Len Stolfo**, sent us a link to a video that he put together for **MonsterFest 2015**. A blast from the past he thought we might be interested in sharing it with members. Thank you, Len. [Video](#)
