Hello fellow aviators,

Here are the notes from the finance and admin side of the club this month:

- 53 members have renewed for 2025.
 - With our 4 club officers, that gives us a total membership count of 57.
- 13 members from 2024 have not yet renewed.
 - Per Article 3, sections 5.3 & 5.4 of the by-laws, these members will be

dropped from club membership and not allowed to fly at the ERCA field.

- If they renew after that, they will be required to pay the initiation fee again.
- With the passing of the motion at last month's meeting to move to annual dues, the by-laws and membership form on the website have been updated.
- Roger purchased a new garbage can from Jerry's for the airfield.
- Ken successfully applied for an AMA event sanction for MonsterFest.
 - This will include publication of our event in the AMA magazine and website event calendars.
- Above All Sanitation delivered a new unit to the airfield.
 - They pumped out our unit so it can be locked up - \$107.12
 - They delivered the new unit - \$61.80
 - We prepaid the first month's servicing - \$120.51 (up from \$110.21 last year)
- The Letter of Agreement we have with Eugene Airport tower expires May 9th, so the club officers will be looking to get it renewed.

Thanks,
Martin
