Hey All,

The summer weather is all around us! Who can remember the last time it rained? I can't!

I've been taking advantage of the smooth air, and cool temps by flying early in the morning! It is nice to fly when the only rough air is caused by the pilot!

We have our largest event of the year coming up at the end of August, the NWRC Monster Fest, Aug. 24-26, so we will need to get our planning done at our next meeting, which is Saturday, the 18th.

Jeff Lutz won't be with us for this meeting, so maybe Steak and Lobster on the Barbie???

PSYCH!!!
I don't think so!

We will be dining on Hamburgers, or Hot Dogs, and rinsing our palette with the finest beverages Pepsi has to offer!

Any side dishes that can be brought are appreciated, but I believe we have enough potato chips in stock to carry us through the next natural disaster, so please don't bring any!

Seriously, we need all who are planning on participating in the event, or volunteering for helping to show up Saturday, the 18th for the club meeting, so we can get our ducks in a row! Lunch will be at Noon, and the meeting will start at 1:00.

Thanks, and see you at the field!

Roger
