

The Monthly Newsletter of the Eugene RC Aeronauts Flying Club

RC AEROGRAM

Editor – AL Barrington Volume 20 Issue 6 June 2024

Deadline for next edition: July 12, 2024 before the July 20th meeting

Next Club Meeting – Saturday, June 22nd, 2024,
1pm, At the Flying Field

From Our President

Hey All,
June is almost half gone, and I don't know where it went!

The summer season is upon us, so take advantage of it!

Thank you to those who take time to water, mow, and take care generally of our flying field!

Our next club meeting will be on Saturday, the 22nd, with a BBQ preceding it, so don't miss it!

I'm sure Martin Booth will have a good report on the eastern Washington event he attended last week, where he represented our club.

	BBQ Donations (Memorial Day)	\$178.00
	Total Income	\$306.00
Balance:	June 14th, 2024	\$8,478.20

Hello friends,

Here are the notes from the finance and admin side of the club this month: Membership grew by one with 4 club officers and 57 members. Shaun Clark ("Jefferson's Dad" 😊) renewed his membership.

We purchased a plane from Warren for use as a club trainer.

A reminder that the meeting dates for the summer will be June 22nd, July 27th, and August 24th.

Ken, Sam and Martin are continuing to work on plans for MonsterFest.

More details will be discussed at the club meeting on June 22nd and documented in the minutes.

The biggest ask is if anyone has a personal connection with a food truck, can they please let me know asap, as we need to confirm a truck as soon as possible, or we will have to remove food from our plans.

Thanks,
Martin

Safety Sam says . . .

Make sure we are driving the 10mph speed limit on the gravel to keep the dust down and slow the formation of potholes. Thank you. Sam Hiatt, Safety Officer

Hello Fellow ERCA Members,

We have secured a display spot for the Lane County Fair on July 24th thru 28th for the club to display some models from our hobby.

The fair is open from 11:00 am thru 11:00 PM on Wednesday thru Saturday and 11:00 AM thru 8:00 PM on Sunday.

This is a display and talk to the visitors regarding our hobby in the hopes of expanding our club membership.

We are planning on having a simulator set up so interested people can try flying without the worries of crashing and fixing/ buying a new plane. What we are looking for is people to man the display area to secure the display models and answer questions about the models and the hobby.

We need 3 to 4 people for 6 hour shifts each day. Either 11:00 AM to 5:00 PM or 5:00 PM to 11:00 PM.

If you volunteer, you will get free admission to the fair for that day. Parking is \$5 in the lot or free in the surrounding residential area.

If you can't work but have an interesting model to display, we have Monday and Tuesday to set up our area. We will also need help setting up during these days.

We ask that if you volunteer a plane that it needs to stay for the whole time. It would be difficult to bring in and remove planes during the fair.

All planes can be picked up after the fair on Monday July 29th before 4:00 PM.

If you are able to bring some planes to display and/or work any time at the fair, please email or call me with details of what you can exhibit or when you can man the display.

I will also be at the members meeting on June 22nd at 1:00 PM with the volunteer sign-up sheet.

Thank You,

Ken Milbrett and the ERCA Board
