Indoor flying – Wednesday 10 AM - Noon. See web page

Magazines - I have about seven years worth of Model Aviation, Model Airplane News, and Electric Flight magazines that I want to dispose of. Do you think anyone in the club would be interested in them? I would happily leave them at the field. Otherwise they will be recycled. (The stack is about 2 feet high) Mike Farr 541-556-8385

January meeting – A turnout of 20 members and numerous guests present.

Major Roxanne Cole, spokesperson for Civil Air Patrol Mahlon Sweet Composite Squadron gave a presentation.

WINTER FLYING RULES

President's Report – Roger Dahl - roger@artistry-in-motion.com

I'd like to welcome you all this month! The weather has given us some good flying weather. I hope you have been taking advantage of it.

We will be having our club meeting at Abby's, and the club will be hosting. We hope to see you all there!

Safe flying,
Roger

Treasurers Report - Al Barrington - albarrington@msn.com

As of this report ERCA is at 59 members with 26 members from 2014 yet to renew. Remember, the renewal deadline is the March 24th

meeting after which un-renewed members are transferred to the inactive roster and a \$25 reinstatement is added.

We welcome new youth member, Elizabeth Fellman, daughter of Scott Fellman.

There are no other new member applications pending.

In Memory: ERCA bids a final farewell to member, Dave Bennett Sr., who passed away earlier this month. He joined ERCA in April of 2012 with his son Dave Bennett Jr. It is his family's generous wish that his memory live on through his plane collection which is being offered for sale with the proceeds to be donated to ERCA. Details to follow on this later after the family has had time to process more pressing matters. Right now our thoughts and prayers go out to the family and we wish them peace.

The treasury balance is at \$7986.52

Birthdays during January & February - Mel Graham Sr., Greg Knecht, Ron Knox, Tom Kopriva, Don Schiltz, and Pat Willis, Sorry if I missed anyone. There are members who still show blank on that data field.

I was recently invited to set up a static display in the Fern Ridge Service Center in Veneta. It was a great success. Besides showing a few planes, I passed out club literature and gave anyone who wanted a chance to try the RC Flight Simulator. I hope we see them again as future fliers at our field.

We're looking forward to seeing everyone at the meeting Tuesday, February 24th, at the River Road Abby's Pizza, 7 pm. This meeting the pizza is on the club. I'll get there early to help anyone who wants to take care of their membership renewal, save time and avoid the postage. I'll have your new member card there and ready for you.

Happy landings.
AL Barrington
Treasurer, ERCA

February had a few good flying days

Indoor had some good flying

Dave Bennett Sr -

I'm sorry to report that my Dad, Dave Bennett Sr. passed away after a brief illness. I'd like to let all the club members know that although we weren't at the field as much as we would have liked, RC aircraft and the club in particular were important pieces of my Dad's last few years of life. He is my Hero not only for his 30 years of service as an Officer in the Navy, but also for the selfless care he has provided my mother for the past 15 years as her primary care giver. He had an RC hobby room where he would sneak away to tinker with a project, read the latest RC magazine, or just sit and take a moment for himself. The friendship he received from members of the club was a welcome relief and even the hope of being able to come out to the field was a boost for him.

Dave Bennett, Jr.
