President's Report – Roger Dahl - [roger@artistry-in-motion.com](mailto:roger@artistry-in-motion.com)

Hi Greetings to all!  
 June is halfway gone, and summer is upon us, with all the flying weather we have waited for! I'd like to invite you all to our first "outdoor" club meeting at the flying field on

Tuesday. This is always a good time, when we can include some pre and post meeting flying! We will be discussing many exciting issues! I have ordered some warm, calm weather, so now I'm waiting to see if it arrives!

Hope to see you there!  
 Roger

Vice President's Report – JR Graham - [aroura420@hotmail.com](mailto:aroura420@hotmail.com)

Well its been a slow month, but Summer is finally starting to come around! The big Monster Fest weekend is closing in on us and the field is shaping up pretty nice! There is still much to do to prepare for the weekend, and we will be trying to get some sort of list and volunteers together for some little upkeep projects very soon.

A couple things off top of my head to think about:

- 1: The bench's or bleachers along the fencing need scraped down and re painted. There is paint at the field somewhere for this.
- 2: We need to figure out how to remove the bad grass spots on runway and re-seed with proper grass's.

3: Gravel brought in to extend the West end of the parking area

4: Fencing decided on to border off the parking and field area on the newer West end area.

There of course are plenty of other little things to come up as well, so don't worry, there is bound to be something for you to offer some help with!

I would like to ask everyone to really try to make it out the next meeting. We will be having it at the field, I imagine AI may very well work the BBQ. It would be great to have a large majority of members attending, as there is sure to be a topic or two discussed that will be needing a club vote.

That's all for now,  
 See you at the field!

-JR Graham

Treasurers Report - Al Barrington - [albarrington@msn.com](mailto:albarrington@msn.com)

Our membership is now at 82 after welcoming new member Brian Baker.

Our Treasury balance is currently \$6211.50

The field toilet service provided by Above All Sanitation has been started for the season. It began on May 1 and will continue through the summer on the first Thursday of each month until we call to stop it for the winter. The service charge has increased \$5 to \$50.75.

The June meeting on Tuesday 6/24/2014 will be held at the flying field at 7 pm. Arrive

early to get in some flying before the meeting. If we can wrap business up quick enough, there may be some time to get in a flight or two before it gets too dark. The July and August meetings are also at the field.

A pre-meeting BBQ will begin about 5:30 pm. The club will provide grilled burgers, hotdogs, drinks and table setting. Bring ice for the drink cooler, a side dish, chips or dessert to share, (usually 30 attend). \$\$ donations are appreciated to help offset the cost of supplies and maintaining the BBQ. Thank you in advance for your generous contributions.

See you all at the field. Happy landings..

Treasurer, ERCA
