President's Report – Roger Dahl - roger@artistry-in-motion.com

Hey All,

Are you ready for summer? It is here, and it's time to enjoy my favorite season! The Flying Field is dry, and waiting for us!

Thanks go out to those who are helping to water, and taking turns "cruising" the runway on the mowers! We are always looking to lighten the load for those who carry the majority of the club duties, so if you have some free time, and can help out, let our field maintenance coordinator,

Jim Corbett know and he will gladly assist in using your help!

Tuesday evening is our first summer club meeting at the field, so let's make it a good one! Come early, if possible to fly!

Al promises to fire up the grill, so bring an appetite, a side dish, or at a minimum, some cash for the kitty!

I promise to keep the meeting short, so we can enjoy the evening!

See you then,
Roger

Treasurers Report - Al Barrington - albarrington@msn.com

Our membership is currently at 73 after welcoming our newest members, Ken Chikasuye and Robin Wood. Our treasury balance is at \$7,633.80.

We look forward to seeing everyone at our first field meeting of the season. Don't worry about dinner before the meeting. Arrive early and get in some flying and

enjoy a potluck barbeque which starts about 5:30 pm. ERCA will provide AL's grilled burgers, hotdogs and soft drinks. We ask members to bring a side dish to share and/or give generously to the donation bucket so we can keep on having more meeting barbecues. My wife, Gerry, has volunteered another bowl of her club famous tater salad.

Happy Landings.
AL Barrington

ERCA Field Care Crew -

Watering

The following ERCA members are the current watering crew - David Fenner, Doug McWha, Jim Corbett, Brad Werneth, Al Barrington, and Warren Edwards. We could use four more on the crew.

The current schedule – Set up sprinklers Monday and Thursday evenings. Put away Tuesday and Friday mornings.

Mowing

We do NOT have a scheduled crew for mowing at this time. So far there have been enough members volunteering to take about 40 minutes out of their flying time to help mow the runway and other areas of our field.

ERCA Field improvement -

Friday work party

Covered area for sand spreader and roller constructed. Roofing material needed to finish it.
