President's Report – Roger Dahl - roger@artistry-in-motion.com

Hi All, Well, it's starting to look more and more like Summer is coming! The mud is thinner, and the rain is warmer! I'm kidding! We have had some lovely flying days, and have enjoyed them!

We will be having our first "event" of the year coming up this

Monday, and we'd like to see all those who can make it for our Memorial Day fun fly! Bring out those models that need to feel the wind beneath their wings! Come for the best burgers this side of Costco, if not for anything else!

Our monthly meeting is on Tuesday, at the 4th and Lincoln location. We hope to see you all there as well!

Roger

Safety Officer's Report - Mike Burgess

Just a couple of things have been noticed by me as we had our busiest day so far, Saturday.

The most important is pilots not standing behind the pilot station fences.

The other is the door to the trailer has been left open a couple of times in the last few weeks. Just thought it was worth mentioning.

Mike Burgess

Treasurers Report - Al Barrington - albarrington@msn.com

As of this report our membership is: 80. Brian Baker is still pending completion of his member application process.

Since the March meeting ERCA received a total of \$6,194.00 in donations for the new field mowers. After paying John Deere for the mowers and the artist for the memorial dedication to Bob Barrow, ERCA has \$1,844.00 remaining in the mower fund.

Our current Treasury Balance is: \$5,866.81

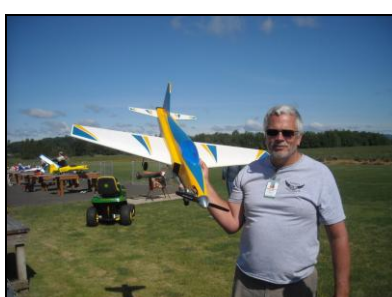

I'm looking forward to seeing everyone at the Memorial Day fun fly. I plan to be flying the grill about noon providing club sponsored burgers, hotdogs and soft drinks. Side dishes are by potluck so bring a favorite recipe to share.

Happy Landings.
AL Barrington
Treasurer, ERCA

Secretary's Report - Robert Morris -

Just remind members that during the meeting's to keep the side chat low so I can hear the audio so I can write up the minute's.

At the field in May
