Memorial Day Fun Fly - May 25

April meeting – 15 members present.

Pump back on well

Al made a new stand to hold the fuel tank.

Runway Sanded

On May 17th a small work party applied a layer of sand to the main runway. It was dragged, rolled and then the next day got some water.

Ken donated time and equipment that made the job much easier.

President's Report – Roger Dahl - roger@artistry-in-motion.com

Hi all!

Thanks to all those helped out to put some sand down on the runway last weekend! The rain is doing it's work, and the grass is growing, so the sand should help to smooth the

runway, and help the runway to be firmer in the winter time! We are looking forward to a nice weekend, and I hope you all can join us on Monday for our Memorial Day Fun Fly! Bring out something with dust on it, and fly it! Hope to see you then!

Treasurers Report - Al Barrington - albarrington@msn.com

Our membership remains at 70 as of this report. The treasury balance is at \$7,398.85.

We're looking forward to seeing everyone at the field Monday, May 25th for the annual Memorial day fun fly. It's open flying for all members and AMA guests. There's lot's of room for spectators. Of course the main reason for the holiday is to honor those who gave the ultimate sacrifice to

give us the freedom to have this event. At about noon, ERCA will provide burgers, hotdogs, and soft drinks. The trimmings will be pot luck, so bring your favorite dish to share.

This month's meeting will be Tuesday, the 26th following Memorial Day. It will be our last meeting for a while at the River Road Abby's Pizza parlor at 7pm. Our June, July and August meetings will be at the field.

Happy Landings.

AL Barrington
