Safety Officer's Report - Roger Dahl

Well, another year and season is wrapping up! It has been a good year, and we have had some good times at Henson Field. I appreciate all who have helped out with improvements and maintenance at our fine flying field! Mickey Cohen was key in getting our new, improved flight benches, with restraints underway!

Thanks go out to Frank Blain for building our hand cart water, and fire extinguisher, aka as "The Firetruck"! It has given a degree of security at times, this year!

Of Course, we all owe a big Thank You to Doug McWha for his dedication to keeping the field as nice as we have

come to enjoy! Thank You to all who have assisted me this year also! Warren Edwards, Jim Corbett, to name a few. Others have been instrumental in assisting with mowing, and we will be coming up with a plan to implement more of the club members to assist in the next years.

As we approach a new year, lets all be safety conscientious, and remember that accident prevention is much easier to handle than accident reaction!

Thank You also to Al Barrington, who does much for the club, from crunching numbers, to cooking burgers! I don't think we have even had a burger burn this year!

Fly Safe,
Roger Dahl
