

# TWO BIG RC FLYING ANNOUNCEMENTS

**RCFLIGHTDECK™** RC Pilot Magazine has just released RC FlightDeck, the world's first global event publishing, management and pilot registration system. RC FlightDeck is a HUGE tool for clubs and organizations hosting flying events. Have a look at the demo video. You can put the calendar on your club's website free! Pilots can register online instantly and spectators and vendors can indicate their intention to attend. Maps are fully integrated. Much more. Please check out the [RC FlightDeck Video](#) and play around for yourself at [RCFlightDeck.com](http://RCFlightDeck.com)

**RC Pilot Magazine is LIVE in the iTunes App store and the Android Marketplace!** Arguably the best RC

magazine to every be published, RC Pilot will re-ignite your passion for consuming RC media. Our premier issue is free and offers a small sample of what future issues will bring. We are very excited to feature Bruce Jenner and Rocco Mariani, CEO of Aeroworks, in our next issue! [Get your free issue now!](#)
