RC AEROGRAM

Editor – AL Barrington Volume 19 Issue 9 September 2023

Deadline for next edition: October 16, 2023

**Next Club Meeting – Saturday, September 16, 2023,
1pm, At the Flying Field, BBQ at Noon**

From Our President

Hey All,

*We had a lovely day flying planes on
Saturday, the 9th!*

*I suggest you take full advantage of the
weather, as I know how it can change!*

*We have some planes that have recently
been donated to us. If you need a plane, check them
out.*

*I was recently at a family reunion, and missed our Labor
Day fly in, but I am confident that it went off without a
hitch, thanks to those who do the clubs heavy lifting!*

*Remember to thank those who “magically” supply
everything we need!*

*We will be meeting next Saturday, the 16th. Hope to see
you all there!*

Food will be served!

Hello fellow Aeronauts!

Here are the notes from the finance and admin side of the club this month:

- If I have not given you a 2023 ERCA Membership Badge, please see me at the meeting on Saturday Sept 16th, or grab me when you next see me at the airfield as I have one prepared for every member.

- With the final numbers in, we made \$1,110.70 at MonsterFest! This was higher than I mentioned last month, mainly due to the generous pricing SupaTim gave us on the Extreme Flight prizes.

- Please welcome Wally Anderson as a new member to the club

- Don't forget we now have an online store for ERCA-branded items. 10% of the item cost goes to support the club. <https://eugene-rc-aeronauts.printify.me/>

o You can also see the full catalog of things we can get branded here:

<https://printify.com/app/products>

o Let me know if you'd like any of those items adding to our club store.

- I'd like to remind folks that donations are really appreciated when we provide food at club meetings and events. With the cost of goods these days, donations have not been meeting the expenditure on supplies. If you are joining us for food, please try to remember to put in a donation of \$5 or more.
