Hello friends!

Here are the notes from the finance and admin side of the club this month:

- Linksky (website hosting) billing has been changed over to my name and to the club's debit card.
- Above All Sanitation removed their unit and serviced ours for use over the winter. Monthly servicing is now suspended until we restart it in the spring.
- 13 club members have paid their dues for 2024. With the four club officers, five junior members (who do not pay dues) plus one lifetime member, that brings our total for the renewed 2024 memberships to 23. That leaves 37 paying members still to renew.
 - Please can junior members still fill out the renewal form, so that I can confirm the desire to renew and make sure we have the correct contact information.
 - I will have 2024 membership badges ready for the February meeting.
- If anyone has suggestions for things I should include in my reports and accounts moving forwards, please let me know. I want to make sure the club finances are transparent and accountable. I also want folks to have confidence that we are being good stewards of the club funds. I am planning to do an annual summary of the club's income and expenses for 2023. I will have it ready for the January newsletter.
